7th Grade Science Syllabus

Dear Parents & Student,

I am so excited to begin this school year! This syllabus serves as a guide to your Science class this year. In this syllabus you will find grading policies, classroom rules, and required materials.

~Miss E. Mac

Daily-Required Materials

Students will be required to have the following materials with them EVERYDAY—these will allow them to be successful!

- 🍏 1, One inch Binder
- 🍏 Paper
- 🍏 Pencils and Erasers
- 🍏 Agenda
- 🍏 AR Book

Class Website

This year I will be utilizing a classroom website that will help me to communicate with Parents, provide helpful links for each Unit of Study and provide a way to integrate technology into your student's education.

You will be able to access the Classroom Website at: www.scmscience.weebly.com

GRADING

Seventh grade science assignments are weighted; some assignment groups are worth more than others according to importance. Please keep in mind that the higher the percentage for that group the more it will affect the overall grade. The following are weighted percentages of assignments:

In class work & Homework 40%
Tests and Projects 60%

*Students will be expected to complete in class work for homework if they do not complete their assignment during the given class time. Students will have some homework assignments, although these will not occur on a daily basis.

*Students will be given Tests at the end of every Unit of Study. Students will be expected to STUDY for these tests and will be given some form of a study guide to assist them, but they should make use of class notes, class discussions, and in-class assignments as they study.

All Work I complete...

- Must be legible- If I cannot read it, I cannot grade it.

- Must be your own, unless it is part of a group activity.
- Must have your name on it.
- Must be turned in to the drawer on the due date unless you are absent.

☆ Late work will have 50% percent of the grade deducted & will not be accepted after the end of the unit of study.

Make-Up Work:

- If you are absent it is your responsibility to get your makeup work.
- Make Up work is located in the red organizer behind Miss Mac's door.
- Please return your work in a timely manner.
- Zeroes will be given to students who do not complete their work in a timely manner.

Contacting Miss Mac

If you have any questions or concerns, the easiest way to reach me is by e-mail.

Erica.mcgaughey@spencer.kyschools.us

Units of Study

Some of the topics you will be studying this year include, but are not limited to...

Unit 1: Lab Safety & Measurement

Unit 2: Chemical Reactions

Unit 3: Energy

Unit 4: Forces & Interactions

Unit 5: Waves & Electromagnetic Radiation

Unit 6: Matter & Energy in Organisms & Ecosystems

Unit 7: Growth, Development, & Reproduction of Organisms

Unit 8: Structure, Function, & Information Processing

Classroom Rules

1. Come to Class EVERYDAY prepared to LEARN!
2. Be Respectful.
3. Take Responsibility for Your Actions.
4. Keep your space clean.

Consequences

When I choose not to abide by the above rules or are disrespectful I will have the following consequences...

1. I will be given a warning.
2. I will conference with Miss E. Mac.
3. My name will be given to Mr. Mercer/My Parents will be contacted.
